I attention in the world today

All the little girls fillin up the world today

When good comes to bad the bad comes to good

But im gonna live a life like I should

Now all the critics wanna hit it

Shit can ever did it

Because they don't get

But I'll stay fitted

Knew there committed

Unless this red cap

Gets a bad rap from his critics

Do we always gotta cry? (gotta cry)

Do we always gotta be inside a lie (a lie)

Life is just a blast

Movin very fast

Better stay on top

or life will kick you in the ass

Follow me into a solo

Remember that, kid

So what you wanna do?

The way you wanna run

When your starin down a cable
of a mic put it that you grill like a gun
Limp Bizkit is rockin the set
Its like Russian Roulette
When your placin your bet
So don't be upset
when your broke
And your done
Cuz im gonna be the one
til I jet
I know why you want to hate me
I know why you want to hate me
I know why you want to hate me
Cuz hate is all the world that's even seen me
I know why you want to hate me
I know why you want to hate me
Now I know why you want to hate me
Cuz hate is all the world that's even seen me
why you want to hate me
Cuz hate is all the world that's even seen me
Now you wanna hate me
Cuz hate is all the world that's even seen me
Now you wanna hate me
Cuz hate is all the world that's even seen me
Does anybody really know the secret

And the combination for this life and where they keep it

Its kinda sad when you don't know the meaning

But everything happens for a reason

I don't even know what I should say

Im an idiot a loser and a phone abuser

I analyze every second I exist

Beaten on my mind every second with my fist

Everybody wanna run (run)

Everybody wanna hide from the gun (gun)

You can take that ride through this life if you want

You cant take that edge off that knife (no sir)

And now you want your money back (money back)

But your denied cuz your brains fried from the sac

And there aint nothing I can do

Cuz life is a lesson you'll learn it when your through

I know why you want to hate me

I know why you want to hate me

I know why you want to hate me

Cuz hate is all the world that's even seen me

I know why you want to hate me

I know why you want to hate me

Now I know why you want to hate me

Cuz hate is all the world that's even seen me

why you want to hate me

Cuz hate is all the world that's even seen me

Now you wanna hate me

Cuz hate is all the world that's even seen me

(Now I know why..Now I know why..Now I know why)

Now I know why you wanna hate me

Now I know why you wanna hate me

Now I know why you wanna hate me

Cuz hate is all the world that's even seen me

Cuz hate is all the world that's even seen me

Cuz hate is all the world that's even seen me
