So

So you think you can tell

Heaven from hell

Blue skies from pain

Can you tell a green field

From a cold steel rail

A smile from a veil

Do you think you can tell?

So

Do you think we can change

Everybody that hates

Before it's too late

So proud to be free

But who can we blame?

Dont be ashamed

Do you think we can change?

How I wish

How I wish You were here

We're one lost soul

Swimming in a fish bowl
Year after year,
Running over the same old ground,
What have we found?
The same old fears
Wish you were here
We dont need
Need any more pain
We just need to remain
On the very same page
So much to gain
No more losing a friend
We're losing ourselves
We just need to help
So glad you're here.
So glad You're here
