Hallelujah By Seven Stories Up

God of Heaven-
Glorious You reign on high
Great redeemer-
Lord we come to glorify
Here to sing of-
All the wonders You have done

Lift your voice
Sing this louder

Chorus:
Hallelujah to the king
To the name above all names
He alone is the one who is worthy of all praise
Lift your voices, lift your hands
And in adoration sing
To the king returning

God of Heaven-
Glorious You reign on high
Great redeemer-
The Lord we come to glorify
Here to sing of
All the wonders you have done

Lift your voice
Sing this louder
Chorus:
Hallelujah to the king
To the name above all names
He alone who is worthy of all praise
Lift your voices, lift your hands
and in adoration sing
To the King returning

He's returning
(well) I know he's returning

Chorus:
Hallelujah to the king

To the name above all names
He alone is the one who is worthy of all praise
Lift your voices, lift your hands
And in adoration sing

Hallelujah to the king
To the name above all names
He alone is the one who is worthy of all praise
Lift your voices, lift your hands
And in adoration sing
To the king returning
