You calmed the raging seas  
Stilled the storm inside of me  
With Your grace,  
You made me new

Spoke the universe to be  
God your wonders never cease  
The morning sun proclaims  
You are good

I give my life for You  
My all, my world for You  
May it crumble in the hands  
of the Great I Am

I hear the angels sing  
The sweetest symphony  
All creation joins the chorus  
of their King

The gather 'round Your throne  
And tell the wonders of Your love  
Can't you hear the sound?  
The song of the redeemed

I give my life for You  
My all, my world for You  
May it crumble in the hands  
of the Great I Am  
For You are good  
And Your love indures  
I have seen Your power and majesty  
Now my lips will sing  
You are my King, You are my King

No one else is worth of this song I sing  
You are my King, You are my King  
I give up my life  
And here I stand redeemed  
yeah

I give my life for You  
My all, my world for You  
May it crumble in the hands  
Of the Great I Am  
You are good  
And Your love indures  
I have seen Your power and majesty  
Now my lips will sing  
You are my King, You are my King  
You are my King, You are my King
