Striking the match that burns me  
Pouring more gasoline unto the flame  
I'm to blame  
I'm all alone and bleeding  
And every self-inflicted wound in me  
Am I addicted to my pain?

And I can't love  
Without You here  
Will You wash away  
All my fear?  
Addicted to my pain  
Cause I can't see  
And I can't feel  
God, I'm praying none of this is real  
Addicted to my pain

I am the judge and jury  
I always sentence me  
To be condemned  
There's no amends  
I hate with no conditions  
Will I ever be forgiven  
For my rage  
And break out of this cage?

And I can't love  
Without You here  
Will You wash away  
All my fear?  
Addicted to my pain  
Cause I can't see  
And I can't feel  
God, I'm praying none of this is real  
Addicted to my pain

Take this guilt  
This bitter rage  
Keeping me  
Locked in chains  
Can You heal my heart?

Can You take this pain?  
Will You wash away  
All these things?

And I can't love  
Without You here  
Will You wash away  
All my fear?  
Addicted to my pain  
Cause I can't see  
And I can't feel  
God, I'm praying none of this is real  
Addicted to my pain  
My pain
