

Seventh Day Slumber "Awake"

As time went on, I opened up my eyes
You never really knew me
You don't know what's deep inside

Just so you know, I'll never be like you
I'll take what God has made me
I'm not an empty shell
And I hope that you see
Instead of following

I'm finally awake
I feel alive today
I feel everything
It's all so clear to me

I'm finally awake
I feel alive today
I feel everything
It's all so clear to me

How many times have I hated who I was
Lost sight of what defines me
'Cause of airbrushed magazines

But now I've come to cherish who I am
I'm sick and tired of faking a life that wasn't mine
And I hope that you see
Instead of following

I'm finally awake
I feel alive today
I feel everything
It's all so clear to me

I'm finally awake
I feel alive today
I feel everything
It's all so clear to me

Im alive
Its all so clear to me
Im alive

And Im alive
Its all so clear to me
And I hope they see

I'm finally awake
I feel alive today
I feel everything
Its all so clear to me

I'm finally awake
I feel alive today
I feel everything
Its all so clear to me
I feel everything.
