Seventh Day Slumber

Where do I begin?
There's so much I want to say to make it easier
Tomorrow's on it's way
Do you believe I want to take your painful memories?

I know you want to run away
I know that you can't see tomorrow

Caroline
Let me wipe away your tears, and give you life
Make you feel beautiful again

Caroline
Don't throw it all away
I'm here tonight, to take away your pain

Yesterday is gone and
Everything that made you cry has fallen to the ground
I'm here to bring you home
I will always take you back
You haven't let me down

I know you want to run away
I know that you can't see tomorrow

Caroline
Let me wipe away your tears, and give you life
Make you feel beautiful again

Caroline
Don't throw it all away
I'm here tonight, to take away your pain

And when you're feeling all alone and you can't go on
Remember I am here
And when you think you've gone too far
I'll meet you where you are
My arms are open wide

Caroline
Let me wipe away your tears, and give you life

Make you feel beautiful again
Caroline
Don't throw it all away
I'm here tonight, to take away your pain

Caroline
Let me wipe away your tears, and give you life
Make you feel beautiful again
Caroline
Don't throw it all away
I'm here tonight, to take away your pain
