1,000 times I've failed
Still your mercy remains
Should I stumble again
I'm caught in your grace
Everlasting your light will shine when all else fades
Never-ending your glory goes beyond all fame

Your will above all else
My purpose remains
The art of losing myself
In bringing you praise
Everlasting your light will shine when all else fades
Never-ending your glory goes beyond all fame

My heart and my soul
I give you control
Consume me from the inside out

Let justice and praise become my embrace
To love you from the inside out

Everlasting your light will shine when all else fades
Never-ending your glory goes beyond all fame

And the cry of my heart is to bring you praise from the
inside out
oh My soul cries out

My heart and my soul
I give you control
Consume me from the inside out

Let justice and praise become my embrace
To love you from the inside out

Everlasting your light will shine when all else fades
Never-ending your glory goes beyond all fame

And the cry of my heart is to bring you praise from the
inside out
My soul cries out

Everlasting your light will shine when all else fades
Never-ending your glory goes beyond all fame

And the cry of my heart is to bring you praise from the
inside out
My soul cries out
Oh, My soul Cries Out
