Well, I'm living with a power  
And I have never felt this way before  
Oh, my mind is thinking clearly now  
The chains are broken and I'm standing tall

Oh, the Lord has never left me  
He's always there to catch me when I fall

I believe in Jesus  
Oh, he's Lord of Lords and King of Kings  
And I believe in Jesus  
He rescued me

It really wasn't long ago  
That I was bound by chains and trampled on  
I felt like all my days were numbered  
I felt so all alone but I was wrong

Oh, the Lord has never left me  
He's always there to catch me when I fall

I believe in Jesus  
Oh, he's Lord of Lords and King of Kings  
And I believe in Jesus  
He rescued me

That's where I find my strength falling down like rain  
It washes over me  
He's taken me so far from where I used to be  
He's my everything

That's why I believe in Jesus  
Oh, he's Lord of Lords and King of Kings  
And I believe in Jesus  
He rescued me

I believe in Jesus  
Oh, he's Lord of Lords and King of Kings  
And I believe in Jesus  
He rescued me
