On the outside
All you see is clean
That hides the perfect lie
But noone really knows the pain inside

Understand how much it hurts
To be the one
Who's never seen
The missing pages
In a magazine

Noone knows you anymore
Your lost inside the walls you've built
Noone knows you anymore
A prison deep within your soul

Their is one who sees it all
Who gave you life you never dreamed
He can see the pain
Underneath your skin

It's hard to see you fading
Nothing that i do can bring you back
I pray to God
That you don't fade away

Your addiction
Is a symptom of a lost and dying soul
Without Jesus
Their's no hope at all

Noone knows you anymore
Your lost inside the walls you've built
Noone knows you anymore
A prison deep within your soul

Their is one who sees it all
Who gave you life you never dreamed
He can see the pain
Underneath your skin

Their's so much more

This is not the end
You showed me your hands
Don't throw it away

A beautiful life
With so much to give
The image of God
Underneath your skin

Noone knows you anymore
Your lost inside the walls you've built
Noone knows you anymore
A prison deep within your soul

There is one who sees it all
Who gave you life you never dreamed
He can see the pain
Underneath your skin

The beauty of God
Underneath your skin
The beauty of God
Underneath your skin
The beauty of God
Underneath your skin
