Missing you like crazy
I feel a million miles away
A part of me is empty
That noone could replace
So i'll run to you
Despite the shame
I'll leave it all behind

On my way home
On my way home
I'm running back to you
On my way home
On my way home
I'm running back to you

How could you ever love me
When I didn't love myself
When my broken (ness?) consumed me
Everyone just walked away
You took me by the hand
I'm nothing without you

On my way home
On my way home
I'm running back to you
On my way home
On my way home
I'm running back to you

And all those years
Without you here
?? with so much pain
And on my own
I tried to change
I'm simply lost without you

I'm tearing down the walls
The walls that kept me in for so long
I'm tearing down the walls

On my way home
On my way home

I'm running back to you
On my way home
On my way home
I'm running back to you

On my way home
On my way home
I'm running back to you
On my way home
On my way home
I'm running back to you
