Followed my feet to nowhere again
Wherever I go there I am
I'm stuck on this road
And life just keeps passing me by

What can I do to get from beyond
These walls that are laughing at me?
Sentenced to life
And the prison is in my mind

Losing my mind and pushed to the acts
Someone stop me from running away
Losing my mind and pushed to the acts
Someone stop me from running away

Followed my feet to nowhere again
Think that I'm going insane
Searching for peace
By the outcome is always the same

I wanna believe that I'm here for something
More than just taking up space
Running away 'cause
I just can't deal with this pain

Losing my mind and pushed to the acts
Someone stop me from running away
Losing my mind and pushed to the acts
Someone stop me from running away

Here I am

Losing my mind and pushed to the acts
Someone stop me from running away
Losing my mind and pushed to the acts
Someone stop me from running away

Losing my mind and pushed to the acts
Someone stop me from running away
Losing my mind and pushed to the acts
Someone stop me from running away

(Losing my mind)
Someone stop me from running away
(Losing my mind)
Someone stop me from running away
