Trying to figure out  
What you're life's about  
But you lost the view  
Of me and you

You say you'll try to change  
But you stay the same  
You're wrong, so wrong

All your life goes  
Round in circles  
All this time goes  
I'm still running back to you

Now it's been a while  
Since I've seen your smile  
I've been moving on  
'Cause you're finally gone

Have you changed your ways  
Or have you stayed the same  
I'm lost, so lost

All your life goes  
Round in circles  
All this time goes  
I'm still running back to you

All your life goes  
Round in circles  
All this time goes  
I'm still running back

All your life goes  
Round in circles  
All this time goes  
I'm still running back to you

All your life goes  
Round in circles  
All this time goes

I'm still running back to you

I'm running back to you
