I could see all your dreams and chase everything
tonight
It's been taking so long, why can't this be right?
And I could try all my life but deep down inside it's you
Your own love I couldn't find, what should I do?

'Cuz I don't really want this life
And dreaming's just a waste of time, yeah

I have seen all your dreams and chased everything but
I
Need to feel there's something real inside your eyes
'Cuz I have seen everything that's waiting for me in life
Falling above I found a love I tried to hide

But I don't really want this life
And dreaming's just a waste of time
I don't really want this life
And dreaming's just a waste of time

Fumbling, weaken we go
And I just want you to know

I don't really want this life
And dreaming's just a waste of time
I don't really want this life
And dreaming's just a waste of time

I don't really want this life
Dreaming's just a waste of time
I don't really want this life
Dreaming's just a waste of time

Yeah, oh
Dreaming's just a waste of time
