Little child dry your crying eyes
How can I explain the fear you feel inside
'Cause you were born into this evil world
Where man is killing man and no one knows just why

What have we become, just look what we have done
All that we destroyed you must build again

When the children cry, let them know we tried
'Cause when the children sing then the new world
begins

Little child you must show the way
To a better day for all the young
'Cause you were born for the world to see
That we all can live with love and peace
No more presidents and all the wars will end
One united world under God

When the children cry, let them know we tried
'Cause when the children sing then the new world
begins

What have we become, just look what we have done
All that we destroyed you must build again
No more presidents and all the wars will end
One united world under God

When the children cry, let them know we tried
'Cause when the children fight, let them know it ain't
right
When the children pray, let them know the way
'Cause when the children sing then the new world
begins
