I can't seem to find my place
Chasing things I never chase

I've been searching for
Where I'm something more
Is there nothing at all?

'Cause I'm feeling so alone
Where do I belong?

And I can't go another day
Wasting all my life away

I can't seem to find
Where there's something right
Is it all a lie?

'Cause I'm feeling so alone
Where do I belong?
Yeah I'm feeling so alone
Where do I belong?

I can't go on as one
With all my fear
Beyond the strength that love can hold

I've been searching for
Where I'm something more
Is there nothing at all?

Feeling so alone
Where do I belong?
Yeah I'm feeling so alone
Where do I, where do I
Where do I belong?
Oh, where do I belo... ong?
Where do I belong?
