We went to the Kensico Dam
Thought we'd do something new
Dam!

She's wearing jewels that her mother made
Kensico Dam, can you make it okay?
Dam!

I'm at work in the morning
She's on the road at night
I'm getting used to dreamin
Kensico Dam, make it alright.

It's pouring rain, I lost my keys
She's getting mad, I'm on my knees
Dam!

I thought we'd see the stars, Â it'd be so fun,
How'd I get to be so dumb?
Dam!

I'm at work in the morning
She's on the road at night
I'm getting used to dreamin
Kensico Dam, make it alright.

Â

(Instrumental)

I'm at work in the morning
She's on the road at night
I'm getting used to dreamin
Kensico Dam, make it alright.
