If I fall to the ground  
Will you pick me up again  
I don't know who I am anymore  
Or why I'm holding on  
I feel so useless everyday  
I wake up so ashamed  
I don't know who I am anymore  
I'm nothing without you

Don't you see that I have problems  
Putting all my trust in me  
I'm falling further everyday  
So you see the worst in me  
I'm losing grip, I'm losing everything  
I'm feeling so alone  
I'm losing grip, I'm losing grip

The day that I was down  
I remember all your words to me  
We'd look around at everything  
Right in front of you  
And it feels so useless everyday  
I wake up so ashamed  
I don't know what you think anymore  
I'm nothing without you  
Don't you see that I have problems  
Putting all my trust in me  
I'm falling further everyday  
So you see the worst in me  
I'm losing grip, I'm losing everything  
I'm feeling so alone  
I'm losing grip, I'm losing grip

(solo)

Don't you see that I have problems  
Putting all my trust in me  
I'm falling further everyday  
So you see the worst in me  
I'm losing grip, I'm losing everything  
I'm feeling so alone  
I'm losing grip, I'm losing grip

I remember all your words to me  
We'd look around at everything(3X)
