A little light looks through, her bedroom window.
She dances and I dream, she's not so far as she
seems,
Of brighter meadows, melting sunsets,
Her hair blowing in the breeze.
And she can't see me watching.
I'm thinking, love... ahha love...ahha love... ahha
love...ahha

Chorus:

It's bittersweet, both and sweet and bitter, bitter and
sweet
It's a bitter sweet, surrender
It's bitter sweet, both sweet and bitter
Bitter and sweet, It's a bitter sweet, surrender

I said I'm older now. I work in a city. We live together.
But it's different than my dream.
Morning light fills the room. I rise.
She pretends she's sleeping.
Are we everything we wanted?
I'm thinking, love... ahha love... ahha love... ahha
love...ahha

Chorus

I said I know we don't talk about it.
We don't tell each other...
All the little things that we need.
We work our way around each other
As we tremble and we... as we tremble and we bleed.
As we tremble and we... as we tremble and we bleed.

Chorus
