i'll love you,no-matter what you may do.  
i'll allways be the one for you.  
my love will never change,  
and allways stay the same.  
no-matter what you do.  
for allways,forever in this way,  
i'll never be the one to say,  
that i have had enough,  
because i am in love.  
allways  
you grace my days with your light.  
even when it dims,your soul is shinning bright.  
you give me something that i need,  
the love that i give to you has no greed.  
so don't apoligize,can't you see?  
don't want to change you,just want you to be,  
everything you see,  
and what you want to be.  
it's easy.  
you grace my days with your light.  
and even when it dims,it still is shinning bright.  
you gave me something that i need.  
the love that i give to you,  
all comes back to me.
