lover,  
is sad.  
sad,  
but true.  
lover,  
well you shine like the sun.  
why you seem so sad,  
cannot say what she's done.  
lie if your high,  
cause it's bringing me low,  
i feel sad inside.  
like you never will know.  
lover,  
is sad,  
and it's too  
damn bad.  
so it's gone,  
gone.  
like our love,  
when it's done.  
i wonder now,  
when i wonder.  
is it drugs,  
that your on?  
cause you seem so high,  
higher,  
are you ever  
comming comming back?  
can i ask you why?  
why,do i feel so bad?  
and you smile,  
and say.....  
lies.  
how long did she say,  
she's been dieing,  
now she's gone.  
how it made her sad  
when she saw you,  
on the trip,  
that you're on.  
and it made me drown.

in my tears, as they fall.  
and it made me sad,  
i recovered,  
she was gone
