i stole a car just to get me away
i only kept it for half a day
i took the car just to get to the place
to see the girl with the prettiest face
and when i met her in the park
dancing naked after dark
i got dressed because it started to rain
somehow i knew,i would never see her again
i had to go i didn't want to be late
i checked my watch it was half past eight
i couldn't say if i would see her again
i only met her man,we're not even friends
oh,
oh.
stolen hearts
oh,
oh,
broken hearts
