Honey, if I show you
how you're free...
Baby, I want to open your eyes
and let you see
all around you
love it surrounds you
If I could be you
yeah, if you want me to
split myself in two
surround you on both sides of you
all around you
yeah, could surround you
Could you see me
up in the pale high?
Show you that you got two wings
if you use 'em don't you know that you could fly
all around in the sky, up and down, inside
Love...
love love (chorus)
I love...
love love (chorus)

Honey, if I tell you
would you keep it to yourself?
Maybe if I make you do it
show you all the how to do it
once you find out
you won't have no doubt
How I love...
love love (chorus)
How I love...
love love (chorus)
How I love...
love love (chorus)
How I love...
love love (chorus)
How I love...
love love (chorus)
Love you

How I love...
love love (chorus)
How I
