she was a girl that lived in your head  
she jumped out of your dreams and into your bed  
but nobody listens if nothing is said  
and no one wants to be in your shoes  
if you ain't got nothing but nothing to lose

hey did you listen when i said  
that you best wise up or you'll soon be dead  
you better unplug your ears or cover your head  
cause no one wants to be in those shoes  
you ain't got nothing but nothing to lose

you've got nothing to lose,  
you got nothing to lose.  
you've got nothing to lose,  
you got nothing to lose.

so you sit in your seat there looking dumb  
tapping your feet and chewing gum  
you can wait until your kingdom comes  
but jesus wouldn't walk in your shoes  
because you so fucking stupid got nothing to use

you've got nothing to lose,  
you got nothing to lose.  
you've got nothing to lose,  
you got nothing to lose.

well it pains me so to see you frown  
i never ment to bring you down  
but i didn't ever ask you to come around  
when you ain't got nothing to do  
you ain't got nothing but nothing to lose
