that boy who made you low
that boy don't even know
the boy caused you pain
that boys got shit for brains

had to let you know
i really don't even
know what i know
your my sunshine
your my sunshine

sad girl,don't lose your faith
your tears are pretty dimonds
i'll kiss them off your face
i love to see you smiling

had to let you know
i had to let you know
your my sunshine

just when you thought
that there couldn't be more
i can turn out the lights
and i'll show you it all
i can take you to heaven before the sun comes up
it's the way that you smile
when your talking to me
when i lost all my faith
you just made me believe
and i'll tell you all about it
yeah
get up closer to me

cause i feel like i've been spinning round and round.
