i stole a car just to get me away  
i only kept it for half a day  
i took the car just to get to the place  
to see the girl with the prettiest face  
and when i met her in the park  
dancing naked after dark  
i got dressed because it started to rain  
somehow i knew,i would never see her again

i had to go i didn't want to be late  
i checked my watch it was half past eight  
i couldn't say if i would see her again  
i only met her man,we're not even friends

oh,  
oh.  
stolen hearts  
oh,  
oh,  
broken hearts
