If you stick with me baby I won't do you wrong  
And we're gonna have some fun  
We're so good together in this crazy world  
Where you can't count on anyone

I'd climb any mountain just to get you free  
I would swim the ocean can you do the same for me

Chorus

Got no money lying at the bank  
Got no banquet on my table got no gas in my tank  
With my life we're laying on the line  
And I'm saying my prayer  
I know you're gonna be there be there

Ooh  
You know that you can lie to me baby  
I will understand  
As long as in the end you tell the truth  
'Cause it's give and it's take  
It's no piece of cake  
And I know it works with you

You don't need no doctor  
You don't need no pills  
You don't need some cozy friends  
Running up your bills

(Hey)  
Got no money, lying at the bank  
Got no banquet on my table got no gas in my tank  
With my life we're laying on the line  
And I'm saying my prayer  
I know you're gonna be there be there

(Bah boom Bah boom Bah boom Bah)  
(Bah boom Bah boom Bah boom Bah)

(Hey, Hey)  
Drop my kind of nectar jam it to the floor

Where my best clothes out at night  
And I'll just give you more

(Oh)  
Got no money lying at the bank  
Got no banquet on my table got no gas in my tank  
With my life we're laying on the line  
And I'm saying my prayer  
I know you're gonna be there be there

Repeat to fade
