I've got a chip on my shoulder with your name on it -
Knock it off.

So don't just stand there foolin' if you don't want it -
Knock it off.

I say you're either a lover or you are a liar.
So don't you push too hard
You're playin' with fire.

Baby
Make your move
Step across the line

Touch me one more time
Come on
Dare me !
I wanna take you on
I know I can't lose

I'll be loving you if you just dare me.

Looks like you're lookin' for trouble

And I'd say you found it - you found it.
You'll have to come right through me

There's no way around it - you found it.
I hope that lean hungry look means what it's saying.
'Cause I'm just sittin' on ready
Ready and waiting.

Baby
Make your move
Step across the line

...

Come on and dare me.
If there's any truth behind your intentions
This night's gonna end up on fire - you better believe it.
You better believe it
Oh baby. Oh
Dare me
Dare me

Dare me.
Baby
Make your move
Step across the line
...
Baby
Make your move
Step across the line
...
Baby
Make your move
Step across the line
