I can't, can't begin to understand
No I don't, I don't pretend to understand
Oh no, no, no, no, no, no, no, no, no, no, I threw away
my judgment
Now, I don't even care about it

Everything just looks the same to me
I don't expect you to change for me
I just don't want you to think that I'm putting you down

I thought, thought I was acting normal
I, I did, I didn't think about it
I saw how it was gonna be then
I knew, I knew it wasn't right for me

But everything just looks the same to me
I don't expect you to change for me
I just don't want you to think that I'm putting you down

Well, I can't, can't begin to understand
No I don't, I don't pretend to understand
Oh no no, no, no, no, no, no, no, no, no, I threw away
my judgment
Now, I don't even care about it

Everything just looks the same to me
I don't expect you to change for me
I just don't want you to think that I'm putting you down
Putting you down
Putting you down
Putting you down
