R. Phelps/D. Phelps)

I'm alive and well and doin' fine

As far as everybody knows

I'm a walking talking wall of self control

On the outside I still wear a big ol' grin

On the inside I'm crumblin' down again

Inside outside, Jekyll and Hyde

I thought I was alright

But I'm half crazy since you went away

From the outside in I'm inside out

Well I went inside a honky tonk

I got sideways drinkin' gin

I went bumblin', fumblin', stumblin' home again

As I walked in the front door

You were walking out the back

Inside outside, Jekyll and Hyde

I thought I was alright

But I'm half crazy since you went away

From the outside in I'm inside out

I can't sleep at night now baby

I know I did you wrong

I didn't know how much I loved you

'Till you were gone

Inside outside, Jekyll and Hyde

I thought I was alright

But I'm half crazy since you went away

From the outside in I'm inside out

Inside outside

Inside outside

Inside outside

Inside outside

Inside outside

Inside outside

Inside outside

Inside outside
