Music: Russ Haines, Lyrics: Steve Rubin
The people that you meet as you travel 'round the
world
Will throw you all a curve, get you twisted up and
curled
You think it's just a circus 'till you see their flag
unfurled
Now we cannot stop the chaos into which we have been
hurled
A thousand clowns (I'm not laughing)
Jumping up and down (I'm not laughing)
They're all around (I'm not laughing)
Big mouths, little sounds (I'm not laughing)
They dance and play (oooooooooh)
Don't get in their way (oooooooooh)
We're forced to pay (oooooooooh)
That's why I say (oooooooooh)
I'm not laughing (oooooooooh)
There's nothing funny about thousands of clowns
No one likes their government, it seems to be the rage
They spend their money badly killing children of draft
age
On both sides of the curtain we're still locked into the
cage
If you read your history you can see on every page
A thousand clowns (I'm not laughing)
Jumping up and down (I'm not laughing)
They're all around (I'm not laughing)
Big mouths, little sounds (I'm not laughing)
They dance and play (oooooooooh)
Don't get in their way (oooooooooh)
We're forced to pay (oooooooooh)
That's why I say (oooooooooh)
I'm not laughing (oooooooooh)
There's nothing funny about thousands of clowns
{Guitar}
A thousand clowns (I'm not laughing)
Jumping up and down (I'm not laughing)
They're all around (I'm not laughing)
Big mouths, little sounds (I'm not laughing)
They dance and play (oooooooooh)

Don't get in their way (oooooooooh)
We're forced to pay (oooooooooh)
That's why I say (oooooooooh)
I'm not laughing (oooooooooh)
There's nothing funny about thousands of clowns
{2 times:}
I'm not laughing, I'm not laughing
There's nothing funny about thousands of clowns
