You walk around with your hands in your pockets You talk too much but you don't like the way you sound

Things are better left unsaid, when you?re in love

Things are not okay but you insist to act that way When everyone?s your friend But still you?re in love with yourself

Things are better left unsaid, when you?re in love Things are better left unsaid, when you?re in love

You tried to, you lied to yourself What a thing to do when you?re in love I can?t believe you still believe That you are perfectly in key with love Don?t you?

Don?t you think it's serious to believe such a lie? Don?t you think?

Things are better left unsaid, when you?re in love Things are better left unsaid, when you?re in love

You tried to, you lied to yourself What a thing to do when you?re in love I can?t believe you still believe That you are perfectly in key with love Don?t you, don?t you, don?t you

Things are better left unsaid
