Yee Yee
You know you got me wrapped around your finger
I can't my no pretender
I try to be cool and nobody's fooled
My hands up in surrender
Cuz we all know your boy sold so sweet godiva gold
I don't know why but I can't control
My feelings it's like I can't get a hold
But It's dandy
I'm a kid I want my candy
This can't be
goon so care free
Lock down to pay really
yeah no sweet to
My dear Alisha got a sweet tooth
Understand me
and it really comes in handy
With my

candy
I call my sugar candy
Cuz I'm sweet on candy
Candy's sweet on me

It feel good don't it baby
I'm done with the x's the o's
Lets leave a check and lets go
Girl let go
Relax have a drink
Don't over think just hear what I say
Cast away
I'm lost in her waves
I'll take the risk for her Hershey's kiss
A curse her curves it makes me just
Curse now what did I do to deserve this
I wonder do she know she perfect
Say I'm in love sound stupid
But let me just say that I kicked it with cupid
He got me in trouble
Oh Barney Rubble
Finding Nemo you with me

It's make believe
Makes me think like
fuck all the fish in the sea
It's just me and my See's

candy
I call my sugar candy
Cuz I'm sweet on candy
Candy's sweet on me

It's so sweet
haha
And if I'm 4
then that make you seven
Cuz when we together
out of 10 we make 11
Thats a bond
007 I've been wishing
double 11
And only she can make a beat stop
Only sweet up in the sweet shop
We will be like my tea
I mean sweeter LOVE
And I'm in the mood for something sweet
Yeah vanillaly choclately sweet
And oh what I wouldn't do
Just to be that closer to you
Now I get patient out my mind
That took all of my time
And you my

candy
I call my sugar candy
Cuz I'm sweet on candy
Candy's sweet on me
Candy is gonna be just dandy
Today I take my candy
And make her mine all mine
It's gonna be just dandy when I take my candy
And make her mine
