Who needs love!

She thought she'd never belong
She thought she'd always be alone
But then something went wrong
Could there be a love so strong

She thought that she needs no one
She found out, that she was wrong
A thing like that she has never known
Now she no longer wants to be alone

Chorus:

Love is just a feeling
I don't need it
But I need him
This is so revealing
I'm not dreaming
I really need him

She never had more
Never more than one friend
And she always thought
She's never gonna depend

But than he
Turned up and she
Found that it, could never be
The way that it, it used to be

Now she can't keep on saying

Chorus

Who needs love
Cause love is just a feeling
Who needs love
Now this is so revealing
Who needs love
Cause love is just a feeling

Who needs love
Now I'm no longer dreaming
Who needs love
2x

Chorus

2x

2x
