Chorus:

Don't make me pull your card, don't make me pull your
card

Don't make me pull your card, don't make me pull your
card

Where da money at

La la I hear you poppin of I hear you talkin of

Don't make me pull your card, don't make me pull your
card

... where da money at, where da money at

Diamond shining for... makes my temperature rise...

I hear you... talk about yourself... don't make me

See... for your head... make you... for yourself

[Chorus:]
