I met a girl and her eyes were blue
Oh, what a girl as I love her true
I know that we will never part
Dream on she'll break your heart

Last night we went to a picture show
I held her hand till time to go
She let me kiss her in the dark
Dream on she'll break your heart

--- Instrumental ---

Our love was real not just a game
And I just know that she feels the same
She love me true right from the start
Dream on she'll break your heart

Dream on she'll break your heart

Well, now I'm happy as I can be
I'm gonna ask her to marry me
Then we will never be apart
Dream on she'll break your heart

Dream on she'll break your heart
Dream on she'll break your heart
Dream on ...
