He made the night a little brighter wherever he would  
go  
The old lamplighter of long, long ago  
His snowy hair was so much whiter beneath the candle  
glow  
The old lamplighter of long, long ago

You'd hear the patter of his feet  
As he came toddling down the street  
His smile would hide a lonely heart you see

If there were sweethearts in the park  
He'd pass a lamp and leave it dark  
Remembering the days that used to be

For he recalls when dreams were new  
He loved someone who loved him too  
Who walks with him alone in memory

He made the night a little brighter wherever he would  
go  
The old lamplighter of long, long ago
