"Put On An Old Pair Of Shoes"

Visit "[Put On An Old Pair Of Shoes](#)" on MotoLyrics.com

Put on an old pair of shoes and we'll go walking down
the alley
Maybe we'll run into Sally and the crowd we used to
know
Put on an old pair of shoes and even though we're
close to raggy
We'll go down and call on Maggie and Joe
We'll always find fair weather when the old gang gets
together
We don't care whether we're broke or in the dough
We'll find the dreams left behind in all the old familiar
places
As we mend the broken laces of an old pair of shoes
[guitar]
We'll always find fair weather...
