Listen to the rhythm of the falling rain telling me  
just what a fool I've been  
I wish that it would go and let me cry in vain and let me  
be alone again

The only girl I care about has gone away looking for a  
brand new start  
But little while she know that when she left that day  
along with her she took my heart  
Listen to the rhythm ...

Now rain please tell me cause that seem fair  
For her they steal my heart away and she don't care  
I can't love another when my heart's somewhere far  
away  
The only one I care about...  
Listen to the rhythm ...
