Wondering wondering who's kissing you
Wondering just wondering if you're wondering too
Every hour through the day since you went away
I've been wondering yes wondering if you're wondering too
I pray every night to the good Lord above to send back
to me the one I really love
(Wondering wondering) who's kissing you
(Wondering just wondering) if you're wondering too
[dobro]
I pray every night...

Every hour through the day since you've been away
I've been wondering yes wondering if you're wondering too
