[Verse 1]

I count the days now we' re apart,
And each hangs heavy on my heart,
I know it has to be this way,
Tomorrow happens gone away,

And every pathway leads to you,
My heart has told me what to do,
You give me strength to carry on,
But every footstep feels so wrong,

[Chorus]

You know that I'm lost without you,
Stumbling in the dark,
You know that I'm lost without you,
Lost without your love,
I'm lost without you,
I don't know where to turn,
And here in the dark I'm burning,
Lost without your love,

[Verse 2]

I dream this carousel will stop,
And somehow I turn back the clocks,
To let him fill my heart again,
To let him kiss away this pain,

[Chorus]

You know that I'm lost without you,
Stumbling in the dark,
You know that I'm lost without you,
Lost without your love,
I'm lost without you,
And I don't know where to turn,
And here in the dark I'm burning,
Lost without your love,

[Verse 3]

A house is not a home,
And the heart can never fly,
And if I can only burn
All the tears I couldn't cry.

[Chorus]

You know I'd be lost without you,

Stumbling in the dark,
You know I'd be lost without you,
Lost without your love,
I'm lost without you,
I have nowhere to turn,
And here in the dark I'm burning,
I'm lost, I'm lost without your love,
Woah, woah,
I'm lost without you,
I'm lost without you,
I'm lost without you,
Without your love.
