I thought I had the whole thing figured out til I found
you,
Didn't wanna waste my time just lookin for love.
Thought that I was better off alone,
But I was wrong....

I never knew a love like this,
Finally opened up my eyes,
Never knew just one kiss,
Could ever wake me up inside.
And I hope it lasts forever,
Caz I'd walk a thousand miles,
Just to feel like this.
I never knew love like this.

Ooooooh oooh oooh

Everyday is better than the last when I'm with you.
Don't think I can get much higher caz Baby
Everytime you come and put your hands on me,
Things you say to me,
It just feels so good...

I never knew a love like this, Finally opened up my
eyes, Never knew just one kiss, Could ever wake me up
inside. And I hope it lasts forever, Caz I'd walk a
thousand miles, Just to feel like this. I never knew love
like this.

Love like this...
Don't make me wanna lose myself in you.
Love like this....
And with you here there's nothing I can't do
Just one kiss
See no one else compares to you,
And it feels true.

I never knew a love like this,
Finally opened up my eyes,
Never knew just one kiss,
Could ever wake me up inside.
And I hope it lasts forever,

Caz I'd walk a thousand miles,
Just to feel like this.
I never knew love like this.

I never I never I never knew love like this,
And i hope it lasts forever caz I'd walk a thousand
miles,
Just to feel like this
No no no no no
Just to feel your kiss
Oh whoooooa
Just to feel like this
I never knew love like this.
