Knew you were out there, just had to hold on.
I nearly gave up on love and my faith was almost gone.
But still I trusted, and I believed.
The you walked in my life,
And you are here with me.

Now and for always,
I give you all of me.
Baby your loving is all I'll ever need.
And I've lost completely in a feeling that you're giving
me,
Now and for always.

So long I was lonely, but those days are gone.
Too many nights all by myself, until you came along.
We've had our ups and downs, but in your eyes,
There's just so many reasons what we should keep
trying.

Now and for always,
I give you all of me.
Baby your loving is all I'll ever need.
And I've lost completely in a feeling that you're giving
me,
Now and for always.

You're everything I've been searching for all of my life.
Nothing compares to the way that I'm feeling inside.

Now and for always, I give you all of me
Baby your loving is all I'll ever need.
Cause you give my life a new meaning.
Lost completely in a feeling,
Nothing better than just being with you
Now and for always.
