Gimme some dirty talk Baby
I wanna hear those words again and again - from you
Listening to your sweet words is like makin love
It gets me feeling really good so please
Gimme some dirty talk

Do it now - Do it now
Say sweet words - I want you to say
Gimme dirty talk
Do it now - Do it now
Sleep with me - In your special way
Oh Baby just talk dirty to me

I will give you love that never hurts
I'd sure give you more than four letter words
Hold me close - And listen
I will give you that sweet sweet pain
But I'm pretty sure it will drive you insane
Just listen to the dirty rhythm

Baby Baby you can really get me crazy and high
With your dirty talk
Baby Baby you can really make me whisper and cry
With your dirty talk
Do it now - Do it now
Say sweet words - I want you to say
Gimme dirty talk
Do it now - Do it now
Sleep with me - In your special way
Oh Baby just talk dirty to me

Baby I will make your blood run fast
I will give you feelings that will always last
Just come close - And listen
I will give you words you've never heard
Baby some of them are really dirt
But listen - When you hear me whisper

Baby Baby you can really get me crazy and high
With your dirty talk
Baby Baby you can really make me whisper and cry
With your dirty talk

Do it now - Do it now
Say sweet words - I want you to say
Gimme dirty talk
Do it now - Do it now
Sleep with me - In your special way
Oh Baby just talk dirty to me

Talk dirty to me Baby
Oh yeah I will if you can take it
Talk dirty to me Baby
Just lay your body next to mine
Close your eyes and listen

Do it now - Do it now
Say sweet words - I want you to say
Gimme dirty talk
Do it now - Do it now
Sleep with me - In your special way
Oh Baby just talk dirty to me
