Oh hanky spanky you know
I can make you feel right
With a clap on your ass
That makes you satisfied
Spanking my hanky
Is all what you like
Oh give you what you need
With my rubber sweep

Hanky is a family man - he is working each day
Tries the best that he can - from nine to five
Hanky loves his wife and his kids - has a daughter and
son
And a nice pretty woman at his side

My love I have to go now
I'll be back in a few hours
And if you like to sleep
Don't be waiting for me
I try to make it fast
But you know it can be late
I really have to hurry I'll be missing my date

Oh hanky spanky you know
I can make you feel right
With a clap on your ass
That makes you satisfied
Spanking my hanky
Is all what you like
With a slap in your face
And a kick at your thigh
Down on the floor
I hear you begging for more
Put you in a cave
Playing master and slave
Oh hanky please, say tease
And I give you what you need
With my rubber sweep

Hanky owns a car and a house - a small cottage near
town
And he sure has some money on the bank

Hanky looks so nice in his suit - a suburban king
And he talks like a real good gentleman

Hit me baby, hit me with your rubbersweep
Hit me baby i love those pain
Hit me baby hit me with your rubbersweep
I love those spanking
