Roll me over, taking cover  
Be my lover, now  
You're the best thing, sweet romancing  
Go out dancing, now  
Roll me over, taking cover  
Be my lover, now

Closer closer  
Ride the rollercoaster  
Seen the movie, even got the poster  
Closer closer  
Ride the rollercoaster  
Seen the movie, even got the poster  
Closer closer, closer now

Supernova, turns me over  
You're my lover now  
Rock and rolling, go out bowling  
Rock and rolling now  
Supernova, turns me over  
You're my lover now

Closer closer  
Ride the rollercoaster  
Seen the movie, even got the poster  
[verse x5]
