Get up, and get your grandma outta here
Pick up, old Jim is workin' hard this year
And baby, I'd do the things he says to do

Baby, if you're feeling good
And baby if you're feeling nice
You know your man is workin' hard
He's worth a deuce

(oh yeah, hmmm)

Honey, don't put your man behind his years
And baby, stop cryin' all your tears
Baby, I'd do the things he says to do
Do it

If you're feeling good
And baby if you're feeling nice
You know your man is workin' hard
He's worth a deuce

(yeah, hmmm, oh yeah, oh yeah, oh yeah, hmmm...)
