(Hey)
Whenever we talk about it
Whenever you let your mouth go
Whenever you scream and shout it
You tell me I'm less than zero
Whenever I say I'm sorry (I'm sorry)
For all of my favourite blunders
You're always in such a hurry (a hurry)
Tearing my world asunder

Oh can't you see?
See what you are doing to me
You bring me down
Watch me as I'm hitting the ground
You and I
We used to have a lot of flare
It's over now
Kill the pain, I'm outta here

Cause whenever we talk about it (about it)
Whenever you let your mouth go
Whenever you scream and shout it (shout it)
You tell me I'm less than zero
Whenever I say I'm sorry (I'm sorry)
For all of my favourite blunders
You're always in such a hurry (a hurry)
Tearing my world asunder

Oh can it be?
That the ultimate sweet caress
Has come and gone
With someone else's flower dress
I need relief
I'm falling in and out of doubt
Love's a thief
Tell me what it's all about

Cause whenever we talk about it (about it, about it, ooh)
Whenever you scream and shout it (shout it, shout it,
hey)
Whenever I say I'm sorry (I'm sorry, I'm sorry, ooh)

You're always in such a hurry (yeah)
