### "Out in the Sun"

Summer's coming on and it is slipping through the  
cracks in the ceiling  
Such a strange kind of feeling, and it's coming strong  
My head is like an oven and I'm waiting for the coming  
attractions  
A little lack of direction, but still I'm hanging on

And out in the sun you will find the beautiful ones  
Having fun, being done with the worries of the world  
All the boys, all the girls, they go on and on and on  
Just to catch some sun  
On and on just to have some fun, fun  
Soak up the sun, shines on everyone

Summer's coming on and it is slipping through the  
cracks in the ceiling  
Don't know what to believe in, don't know who to blame  
The glamourama hits me in the middle of a dead  
conversation  
With the dirt of the nation on a quest for fame

And out in the sun you will find the beautiful ones  
Having fun, being done with the worries of the world  
All the boys, all the girls, they go on and on and on  
Just to catch some sun  
On and on just to have some fun, fun  
Soak up the sun, shines on everyone

Oh, fun, fun  
Soak up the sun, shines on everyone  
Yeah, fun, fun  
Soak up the sun, shines on everyone

(Soak up the sun  
Fun, fun  
Soak up the sun, shines on everyone)

Fun, fun  
Soak up the sun, shines on everyone  
Soak up the sun

Fun, fun...
