Sooner or later I'm gonna get through to you
I'm telling you baby, there's nothing in the world you
can do
I've got time on my side along for the ride
And everything is setting like the sun
And this moment has just begun

Sooner or later, gonna soothe you
Turn you on (I'm gonna turn you on)
Sooner or later, gonna woo you
And everything is setting like the sun
(ooh ooh ooh, ooh ooh ooh)

Got myself the strangest machine
Bet you know the kind that I mean
It's making everything go blurry and dim (oh yeah)
Taking me where I wanna go
I'll show everything so you'll know
There is a ricocheting feeling within (oh yeah)

Climbing to the top of the building
Making sure my parachute's working
I see the river running backwards below
I close my eyes to see the connection
The river runs in every direction
I'm coming down to go and check out the show

Sooner or later, gonna soothe you
Turn you on (I'm gonna turn you on)
Sooner or later, gonna woo you
And everything is setting like the sun
(ooh ooh ooh, ooh ooh ooh, ooh ooh ooh, ooh ooh
ooh)

Climbing to the top of the building
Making sure my parachute's working
